

**PRACTICAL.
POSITIVE.
EMPOWERING.**

REBECCA WEST

Interior designer Rebecca West helps us recognize the amazing power of the home and its ability to impact our lives. With contagious optimism, Rebecca offers practical tools to her listeners and encourages them to get their homes in order and reduce the obstacles to success. Audience members leave inspired and equipped to make tangible changes in their homes, relationships, and businesses.

“Rebecca just has this ability to pull people in and have them feel connected to her when she speaks.”

~ Michelle Mazur, CEO
Communication Rebel™

“Rebecca is like the Tony Robbins of interior design.”

~ Eddie Fox

“Every time I listen to her I feel empowered to go make a change.”

~ Rachel Herbert

QUICK FACTS

- ▶ She’s a certified design psychology coach.
- ▶ She authored the book *Happy Starts at Home* (Bright House Books, 2016).
- ▶ She studied Community & Environmental Planning at the University of Washington
- ▶ She taught ballroom dance before starting her career in interior design.
- ▶ She launched Rebecca West Interiors in 2007.
- ▶ And she can’t resist a cat or a costume party!

Your personal environments have the power to improve your health, relationships, and financial success!

SELECT SPEAKING TOPICS

BRANDING: BEYOND THE CLOSET

Unique ways to develop a personal brand that goes beyond your wardrobe

Practical advice for creating a personal brand that helps you be more successful, feel more confident, and leave a long-lasting impression on everyone you meet. For aspiring professionals, entrepreneurs, or anyone looking to rev up their personal life.

HELP! I HAVE NO TASTE!

Learn to identify your personal design style and speak up for what you want in life

Everyone has an internal design compass and it's time to discover yours! Stop thinking you "have no taste," learn to flex your confidence muscles, and take home tools for speaking up for what you want in all areas of your life

ROMANCING THE REMODEL

What designing a home for two can teach us about building lasting relationships, and how to do it while staying in love

From choosing materials for your kitchen to dividing closet space, making design decisions as a couple can not only create a house that feels like home but also help you build a resilient relationship ready to weather life's storms.

THE COLOR OF MONEY

Design essentials for entrepreneurs of all kinds

No matter whether your new office is in your home or up in a highrise, and regardless of whether you work in isolation or regularly invite clients and colleagues into your workspace, *your professional design choices impact your bottom line*. Learn which questions to ask (and answer) as you set the stage for extraordinary success.

"Rebecca's talk inspired me, encouraged me, and helped me to grow! Her message is about so much more than interior design."

- Maria Porter

"Rebecca has the ability and grace to get a person to take action!"

- Sharon May
